Working Together to Achieve Our Best!

Our School Values and Ethos- 2021

At Harwich Community Primary School and Nursery, we seek to provide the highest standard of education for all pupils in our care.

Our vision is to instil in our pupils an enjoyment and thirst for learning so that they are able to fulfil their potential.

Our mission statement 'Working Together to Achieve our Best' embodies our whole school ethos. We want our children to learn effectively, not only so they achieve as well as they can right across the curriculum, but also so they learn about themselves and others so that they can be confident, aspirational and empowered to participate successfully at an academic, social and emotional level in a rapidly changing world.

Our curriculum intent is to have a broad, balanced, creative and engaging curriculum in which we offer support for our children to become well rounded individuals who contribute to our school community and society in general. Our children will become confident life-long learners. They will develop their minds from what they learn, their hearts from who they are, their attitudes when learning about how we live and develop a moral compass about how they fit in the world as global citizens.

We provide a positive, stimulating and caring learning environment where every individual is valued and respected as part of our school community. We offer pupils a dedicated team of staff who are committed to developing the knowledge, skills, attitudes and understanding which will enable children to enjoy learning, achieve success and to feel content and fulfilled. We ensure that our

children learn about, and have confidence in, themselves as learners so that every child makes good progress.

As an inclusive, caring school where every child matters, we recognise that all children have talents and abilities to celebrate, and a part of our role is to help them discover and develop these. We encourage a strong community spirit, where we show consideration and respect for each other; understand differences, and uphold kind, well-mannered behaviour.
