

# Keeping safe

**Be safe  
Be kind  
Be responsible**

**Harwich Community Primary School  
and Nursery**

# Safeguarding

We want everyone to be safe at Harwich Community Primary School. It is our job to keep you safe from harm, to make sure you are happy and that you are being looked after.

This is called **SAFEGUARDING**.

Sometimes you might not feel safe if:-

- You are hurt by someone.
- You are touched in a way you don't like.
- You are not being looked after by the people at home.
- You feel scared.
- You might see people you love being hurt.
- You have a feeling and know something just isn't right.

# What can you do if you don't feel safe?

All staff in school help keep pupils safe, but some staff have had special training to help try and make you feel safe again.

You or your friends can always talk to one of these people in our school:-

**Mrs Byles**

**Mrs Anderson**

**Mrs Day**

**Miss Curle**

**Mrs Watts**

**Mrs Mann**

**Miss Pells**

There are also people outside of school you can contact:-
