

HARWICH COMMUNITY PRIMARY SCHOOL

& NURSERY

Welcome back to Butterfly Nursery classroom after the Christmas break, we hope you had a wonderful time celebrating with your friends and families.

We would like to wish a warm welcome to all the new children and families who have joined us this spring term, and we look forward to getting to know your children.

This term our first topic is space and we will be exploring the galaxy in an amazing adventure 5,4,3,2,1.....

We look forward to sharing lots of stories, songs, and rhymes together, our favourite author whose books we will be sharing together this first half of the spring term is Oliver Jeffers.

Our PE is on Monday afternoon and Friday morning, but if your child doesn't attend these sessions don't worry as we will also be taking part in outside games or other physical activities including astronaut training.

We are also looking forward to Lunar New Year around the world and will be finding out about the different celebrations in many countries..

Please could you remember to leave named wellies on your child's peg for our wildlife adventures

During the cold months could you please provide your child with mittens and a warm hat as we like to explore outside whatever the weather.

Please remember to label all clothing including hats and wellies thanks and just a quick reminder we have drinking water available all day. Don't forget to check your tapestry weekly and take a peek at our Class page. Any difficulties logging on please let me know.

Any questions please don't hesitate to come and speak to myself or Mrs Hewitt

Spring 2023
