

HARWICH COMMUNITY PRIMARY SCHOOL

& NURSERY

Welcome back to Butterfly Nursery Class after the Easter break, we hope the Easter bunny visited and brought lots of chocolate goodies. It is hard to believe that we are now in our final term and will soon be making preparations for your children to move into their reception classes. We would also like to wish a warm welcome to the children and families who have joined us this term, we look forward to getting to know your children.

This term our first topic is fairy tales, we look forward to sharing lots of traditional well-known tales together, as well as building bridges for the trolls and houses for the pigs, map making, creating puppets and retelling stories through songs, rhyme and role play.

Our PE is on Tuesday mornings and Friday afternoons, weather permitting we will be taking part in outside games or other physical activities and practising for our own Class traditional sports day (date to be confirmed).

Please remember to provide named welly boots on your child's peg for your child to take part in our woodland adventures.

We can't wait to celebrate the crowning of our King and will be having a class party/banquet and making our very own crowns.

God Save The King

Our preliminary date for our Class Prom is Monday July 3rd and invites will be given out in advance to those children leaving. This date may change so please wait for the invitation.

As the warmer weather is upon us, we very much hope to be able to take some walks to the beach to explore our local environment and take part in outdoor beach activities.

Please remember to label all clothing including sunhats and apply all day suncream to your children before nursery so they are safe outside in the warm sunshine, we have drinking water available all day. The school summer dress is blue and white for those of you who wish to purchase the uniform which we recommend.

Any questions please don't hesitate to come and speak to myself or Mrs Hewitt

Happy summer
