GOOD LUCK

I am sure you will all be aware that it is the London Marathon over the weekend. Good luck to our very own Mrs Stapleton and also a good luck to Lily G's mum and dad who are also running the marathon and aiming to raise money for MS. Here is the link if you wanted to donate and support this wonderful cause.

MESSAGE FROM ME...

Punctuality is really important, and it is crucial that we promote how important it is to be on time for school. (This will get them ready for adult life and the world of work too!) We have a number of families who are late on a regular basis. This has a huge negative impact on our children, the staff and the disruption to the lessons taking place and disruption to the school office.

Please can we start to show how important being punctual is to your children by having a good steady routine at home and maybe get everything you need out the night before. Many thanks for your support with this.

Have a good weekend and we will see you all back here on Monday morning at 8:45am!

Mrs Anderson

PUNCTUALITY
IF ANY OF THESE SOUND FAMILIAR THEN IT'S TIME TO FIX YOUR TIMEKEEPING!

My alarm clock exploded and I slept through it.

I was abducted by aliens - look I've got a note to prove it!

I'm fairly sure school starts at 10:00 - maybe I'm early?

The bus driver got off at the stop before mine.

5 minutes late per day,
every day of the week adds up to 3 days of lost school time.

10 minutes = 6.5 days lost per school year	15 minutes = 10 days lost per school year	20 minutes = 13 days lost per school year	30 minutes = 19 days lost per school year
--	---	---	---

WHAT TO DO THE NIGHT BEFORE
• Get everything you need for school ready.
