NO SMOKING SCHOOL SITE

Can I just remind all parents / carers that smoking and vaping are strictly prohibited on the school grounds. If you are smoking or vaping outside of the school gates can I ask that you stand further back and not do it right outside the gates. Many thanks.

DROPPING OFF TIME

Unfortunately, there are still a number of parents who try to leave the school playground before Year 4, Year 5 and Year 6 classes have left the playground in the mornings. Please can I ask that you ALL adhere to this every day! We do endeavour to clear the playground as quickly as possible. So, with this in mind if you need to communicate something to your child's class teacher, can this be done via DOJOs or at the end of the school day instead please. Many thanks

and Nursery. She has worked with us for a whopping 23 years and 3 months and contributed so much both inside and outside of the school

community. She has supported so many of our parental community with many things that

have been above and beyond what is expected of school. I know you will join me in thanking her for all that she has contributed to our wonderful school. We all wish her the very best of health as she embarks on adventures new.

Mrs Anderson

Very best wishes & GOOD LUCK fingers Crossed
